

SINGLE PAYER SUPPORTERS! GET ON THE BUS FOR ECONOMIC AND SOCIAL JUSTICE AND MEDICARE FOR ALL!

Saturday, October 2, 2010, hundreds of thousands of Americans from across the country will gather at the Lincoln Memorial in Washington, DC to demand jobs and an economy that works for all; justice, funding for education, healthcare for all, renewable energy, and peace. The *One Nation* march and rally will represent a cross-section of Americans from labor, civil and human rights, peace, faith groups, education, students, seniors, environmentalists and other groups and individuals committed to reordering our national priorities so that investment in people comes first.

Single Payer New York (SPNY) is proud to announce that it will be joining this nationwide effort and is calling on single payer supporters to come to Washington, DC. and march under the banner of “**One Nation: One Plan.**”

For general information on the rally go to:

For information in your local area contact:

Improved and Expanded Medicare for All

What would it look like?

A public system of national health insurance - single payer - in which everyone in the U.S. would be guaranteed access to comprehensive health services.

Public financing, private providers

No limits on coverage

The right to choose one's own physician, hospital or clinic

No co-pays or deductibles

Billions of \$ saved in reduced administrative costs

Single Payer New York
